Fourth round of CAP shall be conducted by way of counseling, only for the eligible Maharashtra State candidates. Details of eligibility for each round of CAP, filling of option form(s), method of reporting after each round, availability of seats for each round and such other details will be given in a separate Information Brochure.

- **If a candidate cancels his/her admission, which was confirmed in earlier CAP round(s) or in the Autonomous Institutes, will not be eligible to participate for the subsequent CAP round(s) conducted by DTE and Admission Round(s) conducted by Autonomous Institutes even after cancellation of such admission.**

Details of the eligibility for participating in each round of CAP, method of reporting after each CAP round, availability of seats for each CAP round and other such details are given in the separate Information Brochure.

The scheme of allotment through Multiple Rounds and Rules of Reporting presented below is designed to prevent loss of academics and to make the CAP Rounds meaningful and effective rather than formal and ineffective in view of the previous experience of this Directorate as also the facts and figures available with this Directorate as to the seats remaining vacant at the end of each Round(s) and especially at the end of all the Round(s) of such Centralized Allotment Process. The rounds are so designed with the purpose that, maximum vacant seats are filled in, without creating further resultant vacancies on account of shifting of students to whom already allotment has been made in earlier rounds of CAP. This step is required to enable the colleges to start the academic activity immediately to complete the term in time.

Note:

In order to participate in the CAP, the aspiring & eligible candidate is required to submit and confirm the “Application Form for Centralized Admission to Engineering” (in June 2008) at the ARC. The list of documents required to be submitted at the time of confirmation is given in the Annexure-II.
